

PRODUCTO™ GOLDEN GLOW

(formerly CIMCLEAN® FC42)

General Purpose Cleaner Concentrate

Golden Glow is a mild yet powerful general-purpose cleaner concentrate. One ounce in a gallon of water is all that is needed for most routine cleaning jobs. Golden Glow is good for mopping floors and washing down walls, tables and countertops. In most cases, a rinse is not required. Golden Glow contains powerful grease cutters and works well in removing kitchen soils. Concentrations higher than 4 ounces per gallon are rarely needed even for the toughest jobs but, when necessary, Golden Glow can be wiped on stubborn spots directly out of the bottle. Golden Glow is effective in removing grease from counters and black heel marks from floors.

Golden Glow does not contain ammonia, caustics, acids, or harsh solvents and can be used on most painted or finished surfaces without causing dulling. It can be used to clean metals, plastics, ceramic, terrazzo and vinyl tile, finished wood, and most painted surfaces. Check for effects before using at high concentrations on painted walls or wood paneling. Golden Glow will bring out the shine on waxed floors without removing the wax. It is a clear liquid containing no abrasives to dull or damage surfaces.
