

PRODUCTION CLEANERS

APPLICATIONS

CIMCLEAN® FC27 is a heavy-duty liquid industrial floor-cleaning compound. This product effectively removes grease, oil, and shop dirt from metal or concrete surfaces.

FEATURES & BENEFITS

- Highly concentrated cleaner
- Can be used in many cleaning operations at concentrations at 2%
- For heavily soiled surfaces, use at concentrations up to 5%
- This low-foaming floor cleaner is chemically balanced to prevent the corrosion of steel and aluminum parts
- Buffered alkaline fluid - Contains no free caustic
- The pH of the concentrated material is less than 13, while dilutions have a pH of less than 11

TYPICAL PHYSICAL AND CHEMICAL PROPERTIES

Physical state: Liquid
Appearance and odor: Clear / Chemical
Colors available: Undyed
Solubility in water: 100% Miscible
Weight, lb/gal, 60°F (15.6°C): 8.8
Specific gravity: 1.06
pH, concentrate: 12.5
pH, 4.0% mix, typical operating conditions: 10.5
Nonylphenol Ethoxylate (NPE): None
Butyl Cellosolve: None
Silicone: None
Use dilution: 2 - 5%
Packaging: Available in 5 gal. pails, 55 gallon drums and bulk containers

Add no other substances to the concentrate or mix unless approved by CIMCOOL® Technical Services. For additional information concerning this CIMCLEAN® product, refer to its OSHA MSDS or contact CIMCOOL® Technical Services at 1-513-458-8199.
