

## PRODUCTION CLEANERS

### APPLICATIONS

**CIMCLEAN® FC42** is a heavy-duty liquid industrial cleaning compound formulated especially for use in mechanical floor scrubbers. This product effectively removes grease, oil and shop dirt from ceramic, terrazzo and vinyl floor tiles. Also does a good job of cleaning metals, plastics, finished wood, and most painted surfaces.

**CIMCLEAN® FC42** is a mild yet powerful general-purpose cleaning concentrate. It is good for mopping floors, and washing down walls, tables and countertops.

### FEATURES & BENEFITS

- Controlled foam product – Will not clog scrubbers
- Chemically balanced to prevent the corrosion of aluminum scrubber parts
- Fast drying – Will not leave floors slippery
- For heavily soiled floors, concentrations of 2% to 3% are recommended
- Can be used in mop bucket operations at concentrations up to 5%
- Can also be used as a general-purpose cleaner for walls and equipment
- Buffered alkaline fluid – Contains no free caustic
- Contains no chelating compounds or silicates, thereby avoiding waste treatment problems
- Will not dull most painted or finished surfaces
- Does not contain ammonia, caustics, acids or harsh solvents

### TYPICAL PHYSICAL AND CHEMICAL PROPERTIES

**Appearance:** Clear, amber

**Odor:** Chemical

**Specific Gravity:** 1.062

**Density (pounds per gallon):** 8.86

**pH, concentrate:** 8.4

**pH, use dilutions:** 8.0

**Phosphate Content:** None

**Use Dilution (by volume):** <1% to 5%

**Packaging:** Available in 5 gal. pails, 55 gallon drums and bulk containers

Add no other substances to the concentrate or mix unless approved by CIMCOOL® Technical Services.
